

User needs

As a...	I want to...	So that...
Visitor to Disneyland Paris	add and edit which parks and rides I want to prioritise going on	I can make the most of my short trip
	check which rides have fast passes	I can plan out each day of the trip effectively
	check which rides I haven't been on yet	I can tick everything off my list
	see which rides/attractions I have been on	I can reminisce and prioritise other rides
	keep a tally of how many times I've done each ride/attraction	I can revisit favourites and tell friends/family back home about it
	add notes to each entry	I can reminisce and help plan my next trip
	delete entries on the app if I change my mind	I can keep the app tidy
